

Watch out !!!

The runner has to be born before 2000, September 11. To validate definitively your registration, you will have to supply us **necessarily a medical certificate** dating at least from one year to the date the Médoc's Marathon 2020 (2020, September 11). You must send it **here** (<https://tq.events/medoc2020>) before June 30th. Since July 2015, the Athletic Licence can not be more accepted such as medical certificate.

no medical certificate = no bib

Tutti Quanti will refuse to deliver the bib without document well informed !
