

Come to enjoy "L'Esprit Phélan Ségur" during the Médoc Marathon this September

Located in Saint-Estèphe in the Northern part of the Médoc, Château Phélan Ségur is a 114 hectares family-owned property created in 1810 by an Irish wine merchant.

Each year, the Médoc Marathon runs through our pretigious vinyard for an athletic and hedonistic day of running, magnificent scenery and local gastronomy.

From September 7 through 14, 2022, our cellar master, who is a Marathon runner himself, will be on hand to guide you through our cellar and a selection of our wines.
